Managing Children Away from Home – Local Matches

In any given season, as many as 50% of our juniors matches can be played away from the club.

If your child is selected to play in a fixture, their team manager will provide you with all the details of the fixture, where it is being played, the meeting time, estimated time of the match finishing, equipment requirements and any match fees that are due.

They will provide you with their contact details.

In the event of an emergency you can contact the Club Child Welfare Officers

Cate Hayes (07930 141319)

Stuart Clark (07970 452264)

We encourage parents to support their children at home and away fixtures and in line with our transport policy, it is not the responsibility of the coaches to transport or arrange transport for your child to and from matches or training.

All WBCC fixtures can be found on our play-cricket website
